ORDER

DE/Acad. I/Policy Decision/Medium/P/344/90/3353

The proposal to release grants to the Non-Govt. recognised Primary schools was under the consideration of the Government for some time past. The Government therefore is pleased to release grants to all recognised private Primary schools which have switched over to the Regional language/mother tongue as the medium of instruction, on the terms and conditions specified in Annexure attached to the order.

Grants will be released to the following types of Non-Govt. recognised Primary schools:

- i) Those schools which have already switched over to regional language/mother tongue would be entitled to get grants with immediate effect, i.e. from the academic year 1990-91.
- ii) Those schools which switch over to the regional language/mother tongue in the next academic year i.e. 1991-92 would be entitled to get grants next year, but with retrospective effect (June 1990 onwards).
- iii) Those schools which switch over subsequently would also be entitled to get grants, but prospectively.

Government is also pleased to sanction the implementation of the pattern of financial assistance to Non-Government recognised primary schools in the State of Goa which fulfils the above conditions, with effect from the current scholastic year, 1990-91.

The grants will be released to meet the expenditure on pay and allowances of the teachers at the rate of 100% on the actual expenditure incurred according to the approved scales as laid down by the Government from time to time.

The staffing pattern of non-Government aided primary schools will be the same as applicable to Govt. Primary schools as specified in the Annexure attached.

No other expenditure of the schools shall be an admissible item for the purpose of releasing grants.

This issues with the concurrence of Finance Department vide their u. o. No. 4671, dated 22-10-1990 and approval of Cabinet vide cabinet minutes dated 26-10-1990.

By order and in the name of the Governor of Goa.

V. M. Dessai, Director of Education and Ex-officio Addl. Secretary to Govt. of Goa.

Panaji, 14th November, 1990.

Annexure to the Government Order No. DE/Acad. I Policy Decision/Medium/P/344/90/3353 dated 14-11-1990

GOVERNMENT OF INDIA

Ministry of Petroleum and Chemicals
(Department of Petroleum and Natural Gas)

Dated New Delhi, the 22nd September, 1990

ORDER

G. S. R. 811(E) In exercise of the powers conferred by section 3 of the Essential Commodities Act, 1955 (10 of 1955), the Central Government hereby makes the following order, namely:—

1. *Short Title, Extent and Commencement.*—(1) This Order may be called the Motor Spirit and High Speed Diesel (Prevention of Malpractices in Supply and Distribution) Order, 1990.

(2) It extends to the whole of India.

(3) It shall come into force on the 1st day of October, 1990, in respect of high speed diesel and on the 1st day of January, 1991 in respect of motor spirit.

2. *Definitions.*—In this Order, unless the context otherwise requires,—

(a) “adulteration” means the introduction of any foreign substance into motor spirit/high speed diesel illegally/unauthorisedly with the result that the product does not conform to the requirements indicated in Schedule I;

(b) “consumer” means a person who purchases products directly from an Oil Company and stores and utilizes the products for his own consumption and shall include his representatives, employees or agents;

(c) “dealer” means a person appointed by an Oil Company to purchase, receive, store and sell motor spirit and high speed diesel oil whether or not in conjunction with any other business, and shall include his representatives, employees or agents;

(d) “high speed diesel” means any hydrocarbon oil (excluding mineral colza oil and turpentine substitute) which has its flash point at or above 25 degree Celsius and is suitable for use as fuel in compression ignition engines;

(e) “malpractices” shall include the following acts of omission and commission in respect of motor spirit and high speed diesel:

- (i) adulteration,
- (ii) pilferage,
- (iii) stock variation,
- (iv) unauthorised exchange,
- (v) unauthorised purchase,
- (vi) unauthorised sale.

(f) “motor spirit” means any hydrocarbon oil (excluding crude mineral oil) which has its flash point below 25 degree Celsius, and which, either by itself or in admixture with any other substance, is suitable for use as fuel in spark ignition engines;

(g) “Oil Company” means any of the following Oil Companies and such other Oil Companies as

may be specified by the Central Government, from time to time:

- (i) Indian Oil Corporation Limited (including Assam Oil Division)
- (ii) Bharat Petroleum Corporation Limited
- (iii) Hindustan Petroleum Corporation Limited
- (iv) IBP Company Limited;

(h) “pilferage” means stealing or attempt to steal of product from a container used for transportation of the product or from a receptacle used for the storage of the product and shall include any unauthorised attempt or act of tampering with such container/receptacle;

(i) “product” means motor spirit and high speed diesel oil;

(j) “stock variation” means, variation beyond the norms for permissible variation in stocks as given in Schedule II;

(k) “transporter” means a person authorised by an Oil Company, a dealer, or a consumer, to transport motor spirit or high speed diesel oil and shall include his representatives, employees or agents;

(l) “unauthorised exchange” means transfer or receipt of the products from a dealer or consumer to another dealer or consumer or to any other person in contravention of the directives issued by the State Government or Oil Companies.

(m) “unauthorised purchase” means purchase of the products from sources other than those authorised by the Oil Companies or sources not authorised by the State Government;

(n) “unauthorised sale” means sale of products by a dealer or consumer to another dealer or consumer or to any other person in contravention of the directives issued for the purpose by the State Government or Oil Companies;

3. *Product Supply and Transportation.*—(1) The product from the supply point shall be transported by the transporter in a container or tank truck certified fit by the concerned authorities to carry the product with accurate calibration as certified by the Weights and Measures authority and supported by delivery documents and deliver the same to the storage or dispensing point in the same condition as delivered to him by the originating supply point both in respect of quality and quantity.

(2) The transporter shall ensure that the product is transported only in containers/tank trucks which are properly sealed by the Oil Company.

4. The dealer/consumer shall inspect such containers or tank trucks in which he receives the product to ensure,—

(a) that the container or tank truck, including the seals are not in any manner tampered with;

(b) that the quantity and quality of the products are as per delivery documents issued by the Oil Companies and the quality of the product conforms to the requirements indicated in Schedule I. For this purpose, the dealer/consumer shall

maintain a record of densities as indicated in Schedule I.

5. The dealer, transporter, consumer or any other person shall not in any manner indulge in any of the malpractices listed in clause 2 (e) above.

6. The delivery or sale of motor spirit and high speed diesel oil shall be made by dealers only from authorised retail pump outlets.

7. *Power of Search and Seizure.*—(1) Any Officer of the State Government, not below the rank of an Inspector, in the Department of Food and Civil Supplies, duly authorised and notified in the Official Gazette by such State Government, or any officer of an Oil Company not below the rank of a Sales Officer may, with a view to securing compliance with the provisions of this Order, or for the purpose of satisfying himself that this Order or any order made thereunder has been complied with,—

(2) Enter and search any place or premises being made use of or suspected to be made use of in the business of the dealer transporter, consumer or any other person who is an employee or agent of such dealer/transporter/consumer with respect to which there is reason to believe that the provisions of this order have been/are being or are about to be contravened;

(3) Stop and search any person or vehicle or receptacle used or intended to be used for the movement of the product;

(4) Inspect any book of accounts or other documents or any stock of the product used or suspected to be used in the business of the dealer, transporter, consumer or any other person suspected to be an employee or agent of the dealer, transporter or consumer;

(5) Take samples of the product and/or seize any of the stocks of the product which the officer has reason to believe has been or is being or is about to be used in contravention of this order and hereafter take or authorise the taking of all measures necessary for securing the production of stocks/items so seized before the Collector having jurisdiction under the provisions of the Essential Commodities Act, 1955 (10 of 1955) and for their safe custody pending such production;

(6) While exercising the power of seizure provided under sub-clause (4), the authorised officer shall record in writing the reasons for doing so, a copy of which shall be given to the dealer, transporter, consumer or any other concerned person.

(7) The provisions of section 100 of the Code of Criminal Procedure, 1973 (2 of 1974), relating to search and seizure shall, as far as may be, apply to searches and seizures under this order.

8. *Sampling of Product.*—(1) The Officer authorised in clause 7 shall draw the sample from the tank, nozzle, vehicle or receptacle as the case may be to check whether density of the product conforms to requirements indicated in Schedule I.

(2) The officer authorised in clause 7 shall take, sign and seal three samples of 750 ml. to 1 litre

each of the product, one to be given to the dealer, transporter or concerned person under acknowledgement with instructions to preserve the sample in his safe custody till the testing/investigations are completed, the second sample to be kept by the concerned oil company or department and the third to be used for laboratory analysis.

(3) Samples shall be taken in clean glass or aluminium containers (plastic containers shall not be used for drawing samples).

(4) The sample label should be jointly signed by the officer who has drawn the sample, and the dealer or transporter or concerned person or his representative and the label shall contain information as regards the product, name of retail outlet, quantity of sample, date, name and signature of the officer, name and signature of the dealer or transporter or concerned person or his representative.

(5) The authorised officer shall send the third sample of the product taken under sub-clause (2) within 10 days to any of the laboratories mentioned in Schedule III appended to this Order for analysis with a view to checking whether the density of the product conforms to requirements indicated in Schedule I.

9. *Power of Central Government to issue directions.*—The Central Government may, from time to time, by a general or special order issue to any dealer, transporter or consumer such directions as it considers necessary regarding storage, sale, transportation and disposal of motor spirit or high speed diesel and upon the issue of such directions, such dealer, transporter or consumer shall be bound to comply therewith.

10. *Provision of the Order to prevail over previous orders of State Governments etc.*—The provisions of this Order shall have effect notwithstanding anything to the contrary contained in any Order made by a State Government or by an officer of such State Government before the commencement of this Order except as respects anything done or omitted to be done thereunder before such commencement.

SCHEDULE - I

See clause 2(a)

Product Quality

1. The density at 15 degree Celsius of motor spirit or high speed diesel at the receiving end (received by dealer) shall be within ± 0.0030 of the density at 15 degree Celsius at the despatch depot of the Oil Company as indicated in the delivery document.

2. The density at 15 degree Celsius of motor spirit or high speed diesel in the dealer's tank, retail outlet pump/retail point/receptacle or any other point in retail outlet premises wherefrom sample is taken and tested shall be within ± 0.0030 of the recorded density of the last receipt at the retail outlet and/or the density taken in the morning

following the last receipt. The dealer shall maintain the record of densities as mentioned herebefore in a separate Register, which shall be made available as and when required to the authorised inspecting personnel.

SCHEDULE - II

See clause 2 (j)

Details of norms for permissible stock variation

Variation in stocks in underground tanks is considered to be beyond normal operation level when the inspection establishes that the variation in stocks in the underground tanks is beyond $\pm 4\%$ of tank stock over and above:

i) Evaporation/handling losses in motor spirit as follows:

- 0.75% on annual average sales of 0—600 Kilolitres
- 0.60% on annual average sales of above 600 Kilolitres.

Note: In case of motor spirit shortage beyond permissible limits, the explanation of the Dealer will be called for before any action is taken under this Control Order.

ii) Handling losses in high speed diesel as follows:—

- 0.25% on annual average sales of 0—600 Kilolitres
- 0.20% on annual average sales of above Kilolitres.

(Shrinkage losses on motor spirit/high speed diesel and temperature variation allowance quantities on HSD to be taken into account wherever the same are applicable.)
